Sir,

Subject - Cattle show in Shimoga Town-holding of--

ith refer nce to yo r J O o 3 C 253/48-49 dated 20-1-49, forwarding a copy of l t r o I 7831 dated 1 -1-49, from the ecretary to Government, General Department, and calling for a definite resolution of the Municipal Council on the above subject, I write to st te hat the Municipal Council at their Ordinary General eeting held on 31-1-49 considered in detail the observations made by the Government in their lett r date 19-1- 9, and resolved that it is necessary to hold the cattle show every year, that if t x is levied just at present, there would be no gathering of c ttle as this town is in malnd parts, that with a view to encourrige g thering of cattle no tax need be levied during this ye r and that tax may be levied from the next ear ards

As regards the question of limiting the expenditure to s 10,00/- the Municipal Council have resolved that as the expenditure on lights alone will be about s 1,000/- it is not possible to limit it to s 1,000/- and th t an exp nditure not exceeding s 2,00/- may be incurred on this account necessary sanction of Gov rnment being obtained therefor

I may add in this connection that the holding of the cattle show from the 7th to 14th instant, has been widely published both by means of hand bills and news papers It has also been published that no tax would be levied on the cattle coming to the show during this year

As regards the expenditure to be incurred for holding the show, the Municipal Council have rightly resolved that an expenditure not exceeding Rs 2,000/- may be incurred for this purpose account in view of the fact that the cost of providing electric lights for the show ground alone would be about Rs 1,000/- As could be seen from the accounts of last year the other items of expenditure such as advertisement charges, printing charges, cost of prizes etc, being limited to Rs 1,000/- Strict economy will be observed while incurring expenditure

Under these circumstances, I request you kindly to obtain sanction of Government to the resolution of the Municipal Council and communicate the same to me before the date fixed for holding the cattle show

Sir,

Subject:- Cattle Show in Shimoga Town-holding of--

***

With reference to your D O No M3 C 253/48-49 dated 26-1-49, forwarding a copy of letter No L 7831 dated 12-1-49, from the Secretary to Government, General Department, and calling for a definite resolution of the Municipal Council on the above subject, I write to state that the Municipal Council at their Ordinary General Meeting held on 31-1-49 considered in detail the observations made by the Government in their letter dated 12-1-49, and resolved that it is necessary to hold the cattle show every year, that if tax is levied just at present, there would be no gathering of cattle as this town is in malnad parts, that with a view to encourage gathering of cattle no tax need be levied during this year and that tax may be levied from the next year onwards

As regards the question of limiting the expenditure to Rs 10,00/- the Municipal Council have resolved that as the expenditure on lights alone will be about Rs 1,000/- it is not possible to limit it to Rs 1,000/- and that an expenditure not exceeding Rs 2,000/- may be incurred on this account necessary sanction of Government being obtained therefor

P T O

I may add in this connection that the holding of the cattle show from the 7th to 14th instant, has been widely published both by means of hand bills and news papers It has also been published that no tax would be levied on the cattle coming to the show during this year

As regards the expenditure to be incurred for holding the show, the Municipal Council have rightly resolved that an expenditure not exceeding Rs 2,000/- may be incurred dn this common account in view of the fact that the cost of providing electric lights for the show ground alone would be about Rs 1,000/- as could be seen from the accounts of last year the other items of expenditure such as advertisement charges, printing charges, cost of prizes etc , being limited to Rs 1,000/- Strict economy will be observed while incurring expenditure

Under these circumstances, I request you kindly to obtain sanction of Government to the resolution of the Municipal Council and communicate the same to me before the date fixed for holding the cattle show

Sir,

Subject:- Expenditure incurred for holding Cattle Show at Shimoga- Sanction to-

With reference to your letter No L.7831 Dated 12-1-49 regarding the subject noted above, I write to state that the President, Shimoga Town Municipal Council, has reported in his letter No C5 79/48-49 dated 29-12-48 that the subject was placed before the Meeting held on 31-1-49 It is seen from the copy of the resolution enclosed herewith that the sum of Rs 1000/- to which, the expenditure is to be limited will be insufficient in view of the fact that the lighting charges alone would amount to Rs 1000/- Hence, another sum of Rs 1000/- would be required for incidental expenses such as printing and distribution of prizes etc The President, has assured that strict economy will be observed

In view of the fact that this is the second year in which the cattle show is to be held it is desirable to popularise it- Any proposal at this stage will not be encouraging to have a gathering as, already notifications stating that no levy will be imposed have been published

A sum of Rs 2000/- is provided in the sanctioned Briget of the Municipality and this amount may be sanctioned to be expended for conducting the show

Yours faithfully,
For Deputy Commissioner,
Shimoga District.
